SPECIALISTS
IN APPARELHandsome Cape-Costumes
of Silk for Misses
(Cape and Frock to Match)

join the order of harmonizing fashions at the equally harmonious price of

59.50

CANTON crepe and crepe faille fashion two very smart models—one a slim, straightline frock, with silk fringe profusely used as a border on skirt and sleeves. So to keep the frock company, the cape is banded with fringe, too—and together they form an irresistible combination.

The other costume has a semi-bloused frock, with the skirt deeply bordered with silk petals, which extend up either side. And its matching full length cape is also banded with petals. In brown, navy and black. Sizes 14 to 20 years. *Second Floor*

Second FloorEaster Frocks for
Madame

—of Georgette Crepe and Crepe de Chine convey every style feature of the latest news from Paris—

at 45.00

PARIS says "lace" for the dinner frocks, and so it appears here in a smart arrangement embodying the newest style whims of Paris. Even to the Greek influence of the pointed side draperies, usually found only in frocks, at far higher cost. Of excellent quality georgette crepe.

The afternoon or street frock is smartly braided both in back and front, and for color gaily faces its panels and sleeves with georgette of a contrasting shade. In navy, black and henna. Sizes 34 to 44. *Fourth Floor*

Gingham
Frocks

—Very Unusual Values—

For the Woman of
Full Figure

FEATURED MONDAY

6.95

These crisp new gingham frocks achieve the unusual. They are cleverly designed to meet the needs of the full figure. But they do this without any sacrifice of their smartness of design or line. Indeed, regular size house frocks could not have more charm or be more delightfully styled.

They are of checked gingham of a very fine quality and may be had in black, green, blue or lavender.

Sizes 48 to 52. *Third Floor*Traveling
Clocks

—excellent timekeepers that boast radiolite figures—

by Mlle. Lorgnette

When it is not a sports blouse this season it must be a French beaded overblouse. There is no alternative.

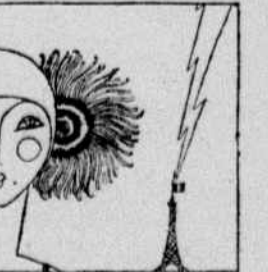

In the diagram above we see one of the beautiful new tunic overblouse imports which has just arrived at Station SAKS from Paris.

It is not so much a blouse as a frock, you will say. In navy with steel beads or black with steel. **32.75**

The New Imported
Scarf Skirt

—is offered here at a lower price than anywhere in town—

13.95

An imported English scarf has other uses than being merely a scarf—it is wrapped about the figure to provide the smartest and newest of skirts.

Its glorious colors are so varied that this skirt may adopt a sweater of any hue as its companion—just as it adopts a merry fringe for a hem.

*Fourth Floor*GREATLY
REDUCED!Girls'
Frocks

—each taken from our regular stock and reduced for prompt disposal—

Regularly 10.00 to 14.75

At 8.50

Braided Costume Blouses
of Crepe de Chine

possess just the right touch of individuality—

12.75

Now that the *tailleur* is definitely in the mode, it calls for a blouse like the one pictured to complete it harmoniously.

It is an overblouse model, and gives one's costume a finished appearance—elaborately silk braided in tasteful design to give it distinction—and in lovely shades to contrast with the suit.

In white, orchid, navy, canary and bisque. *Third Floor*
